### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Claim 1 is allowed because the prior art of record does not show or suggest a probe for measuring the surface of a pipe, including an active clamp assembly having a clamp temperature sensor assembly carried in an upper jaw and an electronic module carried in a lower handle, and a passive clamp assembly being pivotally mounted to a first end of the active clamp assembly, in combination with the remaining limitations in the claim.

Claims 2-17 are allowed due to their dependency on claim 1.

Claim 18 is allowed because the prior art of record does not show or suggest a probe for measuring the surface temperature of a pipe, including an active clamp assembly having a clamp temperature sensor carried in an upper jaw, and a spike temperature probe carried on a lower handle, the spike temperature probe being rotatable between an in-service position and a stowed position, an electronic module carried in the lower handle, and a passive clamp assembly being pivotally mounted to a first end of the active clamp assembly, in combination with the remaining limitations in the claim.

Claim 19 is allowed because the prior art of record does not show or suggest a probe for measuring the surface temperature of a pipe, including an active clamp assembly having a clamp temperature sensor assembly having a sensor subassembly and a resilient underlayment with a surface mounted to an upper jaw of the active clamp assembly, a spike temperature probe

assembly having a rotary hinge and a spike temperature probe, an electronics module carried in a lower handle of the active clamp assembly, and a passive clamp assembly being pivotally mounted to a first end of the active clamp assembly, in combination with the remaining limitations in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
